What's there to not like about you, Do hoobae?
You're pretty, hardworking, kind, and innocent

I'm telling you, guys love simple girls like you.
I still don't understand how you don't have a boyfriend yet~
If you don't get it, then what're you going to do about it.

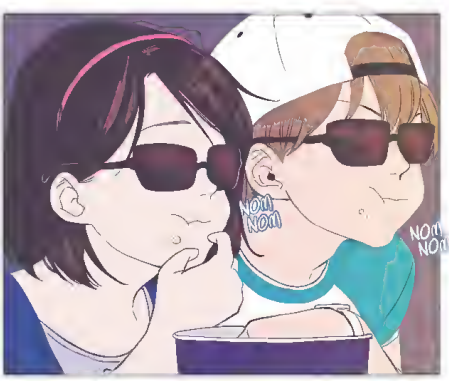
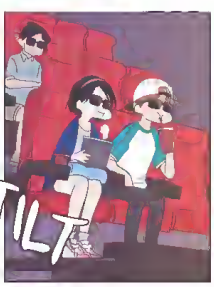
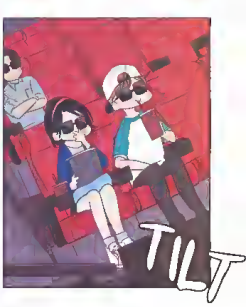
The holiday has started.

Nevertheless we've met up
near our college this early because of

Early morning discounts.







During vacation,
Han Woojin has two summer classes
whilst attending a TOEIC cram school.

T/N: TOEIC - the test of English for International communication
Han Woojin takes this instead of TOEFL because he's in college

With the school's help,
I'm getting hand-on training.

Both of us
will be very busy

So we've decided to have some fun today.
